

Attention Exam Applicants

The deadline for submitting applications for the April 2010 exams is December 15, 2009. If your completed application is received by that date, we will process it in time for the April 2010 exam. If your application is received AFTER December 15, 2009, we will make every attempt to get it processed, but we cannot guarantee that we will be able to evaluate your application in time to get you into the April 2010 exam.

Fees for the exam must be paid to NCEES. Please be aware that if you pay for the exam prior to being approved by the SC Board to take it and you are NOT approved to take the exam, you will forfeit the fee paid. (The exam fee is separate from the application fee you pay the Board.)

We are compiling names of individuals who have been approved to take the exam and will post those names on this web site. When your name appears on the list, you have been approved by the Board, and you may then go to the NCEES web site and pay the exam fee. Please understand that the Board staff must process hundreds of exam applications, then send most of them to Board members for approval, a process that can take several weeks. We do this as quickly as possible, and we will send you an e-mail when you have been approved.

If you call our office repeatedly to ask if your application has been approved, you will delay our processing. Please check the web site.

If your name has NOT appeared on the list of approved exam candidates by February 12, 2010, you SHOULD contact the office by phone or e-mail and ask specifically about your application.

Thank you!
