

INSTRUCTIONS AND REQUIREMENTS FOR RN OR LPN LICENSURE BY ENDORSEMENT

Compact State Information

South Carolina is a member of the Nurse Licensure Compact (NLC). The NLC allows a registered nurse or licensed practical nurse licensed in a Compact state to practice across state lines in another Compact state without having to obtain a license in the other state unless the nurse moves and declares the new compact state as his/her new primary state of residence. It is important to remember that the NLC requires nurses to adhere to the nursing practice laws and rules of the state in which he/she practices under his/her Compact license. If a nurse moves from one state to another and establishes residency, the nurse must apply for licensure in that state. In the case of electronic nursing practice (telenursing), the nurse must adhere to the practice standards of the state in which the client receives care. Please visit the National Council of State Boards of Nursing (NCSBN) Web site (www.ncsbn.org) for a list of states that have implemented the Compact.

“Primary state of residence” as defined by the Compact means the “*person’s declared fixed permanent and principal home for legal purposes; domicile.*” Proof of primary residence may include but is not limited to 1) Driver's license with a home address; 2) Voter registration card displaying a home address; 3) Federal income tax return declaring the primary state of residence. 4) Military Form # 2058- state of legal residence certificate; or 5) W2 from US Government or any bureau, division or agency thereof indicating the declared state of residence.

If your declared primary state of residence is another Compact State, you are not eligible for RN or LPN licensure in South Carolina.

- If a party state issues a temporary permit or temporary license to an endorsee, that permit or license shall confer the same rights and privileges of nursing practice as does the permanent license among party states.
- NURSUS will not track temporary licenses and the employer must verify licensure directly from the state issuing the temporary permit/ license.

Information for Applicants

A current South Carolina license, temporary license or compact multistate license is required to practice nursing in this state. Orientation is considered the practice of nursing in South Carolina. Therefore, all nurses must possess a current South Carolina license and/or temporary license or compact multistate license before beginning orientation (including classroom instruction and reading policies and procedures). It is a violation of the Nurse Practice Act to begin orientation without the proper license and can result in action by the Board. A temporary license authorizes practice in this state with privilege of title or abbreviation after name and is valid for sixty days.

If you were previously licensed by the SC Board of Nursing as an LPN or RN, do not complete this application form. Visit the Board of Nursing Website at www.llr.state.sc.us/pol/nursing for a Reactivation/Reinstatement application to reinstate your LPN or RN license.

An applicant for licensure by endorsement whose license in another state is currently restricted to prohibit the practice of nursing by any disciplinary action (i.e. suspension, revocation, or other action) shall not be considered for South Carolina license until the license from the other state of discipline is reinstated to permit the practice of nursing.

Effective March 2, 2009, an applicant for a license to practice nursing in South Carolina shall be subject to a criminal history background check as defined in [40-33-25](#) of the Nursing Practice Act.

This process requires you to furnish a full set of fingerprints and additional information required to enable a criminal history background check to be conducted by the State Law Enforcement Division (SLED) and the Federal Bureau of Investigation (FBI). These services are provided by Identogo Centers and are operated by MorphoTrust USA.

Applicant should contact Identogo/MorphoTrust (866-254-2366) to verify the current fee to submit.

- Applicants should obtain a set of fingerprints from a local law enforcement agency or other entity that provides fingerprinting services. These fingerprint cards may be either traditional ink rolled fingerprints or electronically captured and printed fingerprint cards.
- Fingerprints may be submitted on FBI applicant cards. The applicant may call or email the Nursing Board to have the FBI applicant cards mailed to them. Phone: 803-896-4550 or email: nurseboard@llr.sc.gov. Due to agency specific information, MorphoTrust USA does not provide fingerprint cards to applicants.
- Applicant should ensure the fingerprint cards are completely filled out. Required information includes:
 - ORI Number: **SC920112Z**
 - Full Name
 - Home Address
 - Place of Birth (State or Country Only)
 - Citizenship
 - Social Security Number

This will delay the processing of your application.

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI.
- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the job, license, or other benefit based on information in the criminal history record.²

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.³

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)

¹ Written notification includes electronic notification, but excludes oral notification.

² See 28 CFR 50.12(b).

³ See 5 U.S.C. 552a(b); 28 U.S.C. 534(b); 42 U.S.C. 14616, Article IV(c); 28 CFR 20.21(c), 20.33(d) and 906.2(d).
