Online Application Instructions for Licensure by Exam:

Exam candidates will no longer apply to the South Carolina Board to be admitted to the ARE.

NCARB's Direct Registration program allows exam candidates who meet South Carolina requirements to apply directly to NCARB to begin taking the ARE.

NCARB Direct Registration: You will work directly with the National Council of Architectural Registration Boards (NCARB) during the [Architectural Experience Program \(AXP\)](#) training and completion of the Architect Registration Examination (ARE). Your Council Record will be sent to the SC Board (or another Board of your choosing) upon your successful completion of all divisions of the ARE and the AXP.

ARE EARLY ENTRY

South Carolina law allows interns to begin taking the ARE before completing AXP.

The law allows interns who have completed an accredited degree, who are enrolled in AXP and are actively participating in AXP, and who are employed by an architectural firm to begin taking the ARE. The law still requires completion of AXP prior to licensure. Section 40-3-240 (C)

TO SIT FOR THE EXAMINATION you must have:

- Completed a professional architecture degree from a college or university accredited by the [National Architectural Accrediting Board \(NAAB\)](#) or the Canadian Architectural Certification Board (CACB).
- Established an [NCARB](#) Record and be actively participating in AXP or have completed AXP.
- If you have met NCARB's and SC's Education Requirement and have established a Council Record, you should go to [NCARB](#)'s website to start the testing process.

ONCE YOU HAVE SUCCESSFULLY COMPLETED ALL SECTIONS OF THE EXAMINATION AND AXP YOU WILL.....

- Authorize NCARB to transmit your Record to the South Carolina Board.
- Complete the Board application for Licensure, this application process can be done two ways, Online Electronic Application or by Paper Application at the following link <https://llr.sc.gov/arch/pub.aspx>.

Online Application:

After ensuring your NCARB Record will be transmitted; please access and complete the online application. You will be prompted to upload or mail in the following items:

- \$190 application fee must be submitted in order to transmit the application. (Fees are non-refundable and non-transferable) A returned check fee of up to \$30, or an amount specified by law, **may** be assessed on all returned funds.
- Copy of driver's license
- Copy of Social Security Card
- Notarized Signature Affidavit (attached)
- Verification of Lawful Presence Form (attached)
- If you answer "Yes" to any of the disciplinary questions; you must provide a written explanation.

Notice – Firm Registration Required in SC

Since 1974, the South Carolina Board of Architectural Examiners has licensed firms. If you are practicing architecture in South Carolina through a firm, as a firm's employee, the firm must be licensed. Firms must designate at least one South Carolina licensed architect who will be "in responsible charge" of the firm's architecture work in this state. Design documents must be sealed with the individual's seal as well as the corporate seal.

Many architects incorrectly believe they can "just use my personal seal" and not put the company name on the title block for a project for which the firm is contacted for services. This is a violation of South Carolina law. If the project is a firm's project, the firm must be licensed in South Carolina.

A sole proprietorship means a business in which one or more registered architects are engaged as employees; however, the practice must be conducted under the name registered with the board as an individual (i.e., John Doe, Architect). Any other practice name, i.e., John Doe, Architects, John Doe, Architect LLC, Doe & Company, Doe & Associates, etc., requires a Certificate of Authorization to practice issued by this Board.

Firm licensure is a **three step process** if you are providing services as a Business/Professional Corporation, Limited Liability Company, Limited Liability Partnership, etc. **Step One:** Get incorporated through the SC Secretary of State. **Step Two:** The SC Secretary of State will send you a Certificate of Authority (for out of state firms) and a Certificate of Existence (for in-state firms) to transact business in South Carolina (**this does not give you authority to provide architectural services in SC. You must complete the third and final step for appropriate licensure with the Board**). **Step Three:** Complete the Board's "Application to License Firms, Corporations or Partnerships" in order to obtain a Certificate of Authorization to provide architectural services in SC.

You may learn more about firm licensure and download forms and instructions on the Board's website, <https://llr.sc.gov/arch/pub.aspx>
