

BEFORE THE SOUTH CAROLINA CONTRACTORS' LICENSING BOARD

In the Matter of:

CHARLES TRIBBLE,
d/b/a AAA Tribble's Electric Service,

License No.: M-101001,

Applicant.

AGREEMENT

WHEREAS, this matter is before the Board pursuant to the application of Charles Tribble (Applicant) for a license to engage in the business of mechanical contracting in this State. Upon review of the application, questions arose regarding Applicant's conduct and character and fitness for licensure. At the Board's meeting on January 18, 2007, Applicant appeared without counsel in support of the application. At that time it was established that Applicant had engaged in unlicensed practice following the expiration of the license on or about October 31, 2005, in violation of Section 40-11-30 of the 1976 Code of Laws of South Carolina, as amended. Furthermore, it was established that Applicant, in truth, had a judgment of record at the time he answered "no" on the application dated December 2, 2006, which inquired whether applicant had any judgments, liens, or claims of any kind, which conduct is in violation of Sections 40-11-110(A)(4) and (6) of the amended Code.

WHEREAS, it was determined that the judgment against Applicant was satisfied after December 2, 2006 when applicant provided the false answer on the license application; and

WHEREAS, the Board believes that it is in the public interest to authorize Applicant to submit an application upon certain terms and conditions as provided below.

THEREFORE, IT IS UNDERSTOOD AND AGREED THAT:

1. Applicant shall be issued a license to engage in the business of mechanical contracting in this State, upon compliance with all applicable requirements for initial licensure required by law and the following pre-condition for licensure:
 - a. Applicant shall pay a fine of Two Thousand Five Hundred (\$2,500) Dollars concerning the violations of law mentioned above.
2. Thereafter, upon compliance with all applicable requirements for initial licensure, Applicant shall be issued a license in a probationary status upon compliance with the following terms and condition of probation which are to continue in effect for a period of not less than one (1) year and until further Order of the Board:
 - a. Applicant shall comply with all state and federal laws, including those governing mechanical contracting.
 - b. Applicant shall appear and report to the Board, as requested by the Board.
 - c. Applicant shall promptly advise the Board in writing of any changes in address, business, professional status, or compliance with this Agreement. Correspondence and copies of reports and notices mentioned herein shall be directed to:

LLR – Contractors' Licensing Board
P. O. Box 11329
Columbia, SC 29211-1329

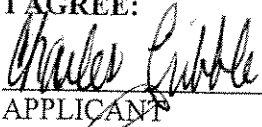

- d. After a period of not less than one (1) year of satisfactory compliance with the terms and conditions of probation, Applicant shall be eligible to petition the Board for termination of this Agreement in the Board's discretion. At that time, Applicant shall demonstrate to the Board's satisfaction that all of the terms and conditions of this Agreement have been fulfilled and that he should be granted full, unrestricted licensure status. At that time, the Board, in its discretion, may grant or deny Applicant's petition, in whole or part, or otherwise modify this Agreement as the Board may deem appropriate.
- e. It is further understood and agreed that if Applicant fails to abide by any of the aforementioned terms and conditions, or if it should be indicated from reliable reports submitted to the Board that Applicant is otherwise unable to practice with reasonable skill and safety, then Applicant's license may be immediately temporarily suspended until further Order of the Board following hearing into the matter. It is understood and agreed that by executing this Agreement, Applicant specifically consents to waive the procedural requirements of Section 40-1-90 of the 1976 Code of Laws of South Carolina, as amended. It is understood and agreed that by executing this Agreement, Applicant specifically consents to consideration by the Board of any appropriate sanction under Sections 40-1-120, 40-11-110 or 40-11-120 of the amended Code, after the hearing required by this paragraph.
- f. It is further understood and agreed that this Agreement does not satisfy, prejudice, or stay any disciplinary action currently pending before the Board or which may be filed in the future.
- g. It is further understood and agreed that each provision of this Agreement shall be subject to review by the Board. Applicant shall cooperate with the Board, its attorneys, investigators, and other representatives in the investigation of Applicant's practice and compliance with the provisions of this Agreement. Applicant may be required to furnish the Board with additional information as may be deemed necessary by the Board or its representatives. In addition to such requests, the Board in its discretion may require Applicant to submit further documentation regarding Applicant's practice, and it is Applicant's responsibility to fully comply with all such requests in a timely fashion. Failure to satisfactorily comply with such requests will be deemed a violation of this Agreement.

AND IT IS SO AGREED.
